Featured Speakers

Jenny Nolen will return to this year's conference and provide the opening keynote. Jenny is a very unconventional presenter and will go to any length to make sure her audience is relaxed, has fun, and is ready to learn and retain! If it's using props, singing songs, music, poetry or magic, attendees are sure to have a good time while learning valuable lessons in wit, wisdom and wonder. Known as **ONE FUNNY LADY**, Jenny Nolen has been in the National Spotlight as an Entertainer, Speaker, and Trainer for well over a quarter of a century.

Jan McInnis considers her life full of "finding the funny". She and her audiences continually rate her programs "hilarious"—and she wouldn't have it any other way. Jan spent 15 years as a marketing executive. . and her comedy proves it! All of her keynotes include humor on work (from "control-freak" bosses to teambuilding exercises gone awry), family and day-to-day life. Her keynotes are sprinkled with lots of relatable CLEAN humor. Jan was featured in the *Wall Street Journal* as one of the top convention comedians who is CLEAN (as in no offensive material) and in the *Washington Post* for her clean comedy writing.

John Riley is a motivational speaker and humorist who reaches thousands each year. His teachings have spanned the globe, encompassing 22 countries and totaling more than 10,500 times over the course of nearly 4 decades. Born in the small town of Abbeville, Alabama, he was taught early on about the importance of hard honest work and building lasting relationships.

He went on to play football for Auburn University and was drafted by Oakland. When his football career came to a sudden end in 1970, John explored the business world.

After six years he answered the calling deep down inside and began speaking full-time. He has been teaching companies how to incorporate those honest values that he learned so long ago into building lasting working relationship with each other as well as those they work with.

John has received countless awards and recognition, but nothing is as rewarding to him as when he is sharing the simple but important principles of living with a group of people. He has spoken for multiple companies in all parts of the world. He does team building and coaching for some of the most recognized brands. John is sure to stir and motivate anyone who is looking to excel and reach to new heights within themselves and the world around them.
